

## **Toktokkie Letter 2 /2018**

### **Dear Parents**

I hope everyone is now settled into their routine at school. We are all working very hard and busy with all of our school activities.

### **Save the dates:**

- February 14: 'Civvies'
- February 23: Water Games
- March 3: Fun Day

### **New school uniform**

The new school shirts create a very happy face for the school. Please note that the khaki school shirts may still be worn and are available at a special discount amount in the office.

### **Pick up and drop off of learners**

I would like to make a friendly but urgent appeal to all parents or persons who pick up or drop off learners. Only Toktokkie main entrance may be used to drop off or pick up Toktokkie learners. DNC learners are not allowed to make use of Toktokkie's entrance. Toktokkie learners may not make use of DNC entrances.

### **Sick learners**

Learners must be free of fever for 24 hours without medicine before he/she can return to school. Please notify the school of any contagious diseases if occurring.

### **Healthy food**

A friendly request that snacks such as sweets, cookies and chips are only sent on Fridays to school.

### ***Extra Mural Activities***

Please return all forms to which the children will participate or contact the various coaches as soon as possible.

Activities offered are: ballet, karate, soccer, Build-a-Brix, Manners, Dance and Monkeynastix.

Swimming lessons are offered at DNC's swimming pool for learners Grade R and RR. Chess (Fridays) and recorder lessons (Wednesday) are presented by Heidi from Kindermuzik. Contact the office for details.

Drama classes will be available for learners 5 years and older from the second quarter.

Kindermuzik (Wednesday) and Playball (Mondays) -all kids participate and you do not have to pay extra for that. This takes place during school hours. This year, the EQ4 kids program for the Grade R learners is also presented on a Wednesday morning, which is also included in the school fees.

### **Weekly themes**

The themes appear at the top of each month on the calendar. Calendars are available in the office. Keep this in mind so that you know what is being discussed at school and we encourage you to discuss relevant material with your child.

Continue discussing themes with your child. This enforces interest and knowledge. You may encourage him/her to bring something relevant to school. Take your child to the library and see if you can find books, verses or a song to send to school.

### **Birthday Invitations**

The staff will only hand out Birthday Invitations, if all the children in the class are invited. Unfortunately children who do not receive an invitation feel left out.

### **School fees and Money**

We will appreciate it if you could pay your school fees promptly. If you send fees or money to school with your child, please put it in a clearly marked envelope. We cannot be responsible for any money sent to school in any other way. **Please hand all money to Winnie.**

Banking details:  
Standard Bank,  
Account no: 250120100
